Institut Polytechnique de Paris
IP Paris
Institut Polytechnique de Paris is a world-class science and technology institute uniting five French Grandes Écoles: École polytechnique, ENSTA Paris, ENSAE Paris, Télécom Paris and Télécom SudParis. HEC Paris is also a privileged partner of IP Paris. This internationally focused institution develops state-of-the-art scientific research, offers excellent training programs awarding all levels of degrees and guarantees excellent employment opportunities for its graduates.

Institut Mines Télécom - IMT
Télécom Paris is a school of IMT, the 1st public institution dedicated to higher education and research in France. The group brings together 13 engineering and business “Grandes Écoles”, training 13 000 engineers, PhD holders and managers.

A supported School
Télécom Paris alumni
17 500 graduates
256 new Télécom Paris engineers per year
206 Post-Doc degrees awarded per year
56 Télécom Paris PhD graduates per year

The Fondation Mines-Télécom
€760k raised from
330 alumni and students’ parents
€94k-€120k raised from board members’ and staff’s
€134k-€122 international scholarships
€78€-€3 research trains
€175k-€6 per student, the Sid-Bibler and student entrepreneurship
€2.7 m raised in contribution from 40 companies

Meeting the challenges of the digital transformation
6 cross-disciplinary objectives
- Data Science and Artificial intelligence
- Design-Interaction-Perception
- Digital Innovation
- Digital Trust
- Mathematical Modeling
- Very large networks and systems

At the forefront of research and innovation
2 laboratories at the highest scientific level
- Information processing and communication
- ICT
- Information Society Institute of Innovation (i3) shared with École polytechnique and Blaise Pascal University
21 patents
26 international extensions
640 international publications
21 teaching and research chairs and laboratories funded by companies
69% of institutional revenue
50% of research funded by companies
150 active researchers and permanent researchers
225 PhD students
70 post-docs and R&D engineers

“Innovate and foster entrepreneurship in a digital world”
410 companies created since 1999
80% of which are still active
#1 incubator in the number of digital start-ups in France
3 start-ups created each month
2 classes dedicated to student entrepreneurship: FallTech, e-Lab and Design Studio
3 teaching chairs and digital student entrepreneurship
1 Innovation Day per year
60 innovative pedagogical projects submitted each year

Corporate connections
35 corporate partners who support us
347 companies pay Apprentice Contributions
500 current business stakeholders
90 “corporate” activities organized for students at the school or externally

Innovate and foster entrepreneurship in a digital world
142 partners in 41 countries
46 double degrees in 18 countries
40 Master programs in 17 countries
15 “Industrial” partners
48% of international students (all degrees)
35% of the student body is international engineering curriculums

International school
35 corporate partners who support us
347 companies pay Apprentice Contributions
500 current business stakeholders
90 “corporate” activities organized for students at the school or externally

Get the training you deserve at Télécom Paris

Télécom Paris offers a vast number of training opportunities: engineering degrees, masters’ degrees, post-masters’ degrees, and continuing education through Télécom Evolution (with IMT Atlantique and Télécom SudParis).

Télécom Paris trains transformers who are able to guide large companies through their digital transformation. With its motto “Innovate and foster entrepreneurship in a digital world”, the school strives to educate entrepreneurs, business creators and digital start-ups. With its student-centered programs, Télécom Paris encourages its engineers to become inventors and to take an active role in the digital future of our society.

### Engineering curriculum

- **160 students in 1st year**
  - 126 enrolled following highly competitive entrance exam
  - 10 transferring from university
  - 20 from technical trainings

- **250 students in 2nd year**
  - 19 from Ecole polytechnique
  - 87 from international programs
  - 2 from the Tech Shanghai Jiao Tong

- 3 graduate profiles
  - Inventors
  - Entrepreneurs

23% in scholarship recipients

35% of the students in our engineering curriculum are international

### Post-Masters’ degrees

- **490 students**
  - 5 PM in partnership with teaching engineering or management schools
  - 4 525 alumni in 2018

### Continuing education

- 14 Advanced Studies Certificates (CES)
  - 2 Executive Partnership MBS
  - 8 MSc and 5 digital courses
  - 110 short- and tailor-made courses at the request of companies

- 70 part-time and 940 engineers

- 1 Thesis Award rewarding 3 Télécom Paris PhD students

### PhD

- **225 Télécom Paris PhD students**

- 3 types of thesis
  - Fundamental
  - Applied
  - Intellectual property oriented

- 70 part-time and 940 engineers

- 1 Thesis Award rewarding 3 Télécom Paris PhD students

### Post-Masters’ degrees

- **14 PM including 5 transactions**

### “L’Étudiant” Main French ranking 2019

- 4th in the general ranking
- 2nd in academic excellence
- 2nd in close relationships with companies
- 1st on the industrial chair policy
- 1st on the wages earned by students after graduating

### QS international ranking 2018

- 230th in Engineering & Technology
- 5th French Grande Ecole (after Ecole polytechnique, CentraleSupelec, Mines ParisTech and Grenoble INP)

### U-Multirank international ranking 2017

- 3rd world institution in computer sciences (after ESPR andotts Zürich)
