Key figures 2020

Innovate and foster entrepreneurship in a digital world
Télécom Paris
A "Grande École" among leading centers of excellence

Institut Polytechnique de Paris
IP Paris

*Institut Polytechnique de Paris is a world-class science and technology institute uniting five French Grandes Écoles: École polytechnique, ENSTA Paris, ENSAE Paris, Télécom Paris and Télécom SudParis. HEC Paris is also a privileged partner of IP Paris. This internationally focused institution develops state-of-the-art scientific research, offers excellent training programs awarding all levels of degrees and guarantees excellent employment opportunities for its graduates.*

Institut Mines Télécom - IMT

*Télécom Paris is a school of IMT, the 1st public institution dedicated to higher education and research in France. The group brings together 10 engineering and business "Grandes Écoles", training 13 000 engineers, PhD holders and managers.*
A supported School

 Télécom Paris alumni

18 000 graduates
270 new Télécom Paris engineers per year
225 Post-Masters’ degrees awarded per year
60 Télécom Paris PhD graduates per year

The Fondation Mines-Télécom

€492k raised from 347 alumni and students’ parents

€115k • 35 merit-based scholarships
€41k for the Incubator, the SME Builder and student entrepreneurship
€93k for international scholarships
€72k • 3 research teams

€2.8m raised in contribution from 41 companies

€35k for the Incubator
€108k to support PhD students focusing on future & disruptive technologies
€300k in honorary loans to the School’s start-ups
€465k to reinforce student-to-employer networking
€2.2m to fund academic and research chairs
At the forefront of research and innovation

2 laboratories at the highest scientific level

- Information processing and communication (LTCI)
- Interdisciplinary Institute of Innovation (i3 shared with École polytechnique and Mines ParisTech), CNRS joint research unity (UMR 9217)

13 patents on the current year

24 international extensions
700 international publications
26 teaching and research chairs and laboratories funded by companies
€10 m of contractual revenue
54 % of research funded by companies
161 faculty members
220 PhD students
124 post-docs and R&D engineers

Meeting the challenges of the digital transformation:
6 cross-disciplinary objectives

- Data Science and Artificial Intelligence
- Desig, Interaction, Perception
- Digital Innovation
- Digital Trust
- Mathematical Modelling
- Very Large Networks and Systems
"Innovate and foster entrepreneurship in a digital world"

480 companies created since 1999
86% of which are still active

#1 incubator in the number of digital start-ups in France

3 start-ups created each month
3 places dedicated to student entrepreneurship: FabLab, e-Lab and Design Studio
1 Innovation Day per year
40 collaborative projects between students and start-ups
More than 5000 jobs created
€550m raised from financial partners

Corporate connections

52 corporate partners who support us

222 companies pay Apprentice Contributions
500 current business stakeholders
90 "corporate" activities organized for students at the school or externally
An international school

100 partners in 39 countries

42 double degrees in 18 countries
47 Erasmus programs in 18 countries
15 "ATHENS" partners

44% of international students (all degrees)

33% of the student body is international (engineering curriculum)
40 different nationalities
45% of international excellence grant
34% of lecturer-researchers are international
22% of Télécom Paris graduates have their first job abroad
1 Paris Shanghai Jiao Tong Graduate School in China (SPEIT)
11 languages taught
11 courses taught in English

Get the training you deserve at Télécom Paris

*Télécom Paris offers a vast number of training opportunities: engineering degrees, masters’ degrees, post-masters’ degrees, and continuing education through Télécom Évolution (with IMT Atlantique and Télécom SudParis).

*Télécom Paris trains transformers who are able to guide large companies through their digital transition.

*With its motto "Innovate and foster entrepreneurship in a digital world", the school strives to educate entrepreneurs, business creators and digital start-ups.

*With its student-centered programs, Télécom Paris encourages its engineers to become inventors and to take an active role in the digital future of our society.
More than 1 600 students in 2020

Engineering curriculum

190 students in 1st year

Including:
146 enrolled following highly competitive entrance exam
24 transferring from university
17 from technical trainings
2 from Paris Shanghai Jiao Tong

280 students in 2nd year

Including:
73 double degree students
15 non-degree exchange students
3 from Paris Shanghai Jiao Tong

298 students in 3rd year

16% in scholarship recipients

38% of the students in our engineering curriculum are international
Post-Masters’ degrees

520 students

12 PM including 5 "executive"

5 PM in partnership with leading engineering or management schools

4,600 alumni in 2020

Continuing education

14 Advanced Studies Certificates (CES)

120+ short- and tailor-made courses at the request of companies

2,000 professionals trained each year

8 areas of expertise

Télécom Paris’ continuing education is provided by Télécom Évolution combining the expertise of IMT Atlantique, Télécom Paris and Télécom SudParis.
PhD

220

Télécom Paris
PhD students

3 types of thesis
- fundamental
- applied
- intellectual property oriented

78 post-docs and R&D engineers
12 specialties
1 Thesis Award rewarding 3 Télécom Paris PhD students
Times Higher Education World University Rankings 2020

- 5th best French university
- 2nd best French «grande école»
- 6th «best small university» in the world

QS World University Rankings 2020

- 4th best French university in Computer Science & Information Systems

«L’Étudiant» Main French ranking 2021

- 2nd in the general ranking
- 3rd in academic excellence
- 1st in close relationships with companies
- 1st on the industrial chair policy
- 1st on the wages earned by students after graduating

«Le Figaro» Ranking 2021

- 1st of the computer science schools
- 5th French Grande École
